Located off the coast of Athens, Santorini forms part of the Cyclades islands in the Aegean Sea, and is famous for its blue water, iconic white cliff-top houses and stunning sunsets – not to mention winery tours, hikes, shopping and mouth-watering food.

STAY Santo Maris Oia Luxury Suites & Spa (santomaris.gr/oia) is boutique accommodation for adults only. Enjoy uninterrupted views from a private balcony overlooking the shimmering sea. Each room is kitted out with an outdoor spa or private pool, and a couple's massage is also a must.

EXPERIENCE Oia is popular for amazing food and nightlife, while Fira offers incredible boutiques to shop.

HEAD TO Red Beach: Sit under an iconic red and white striped umbrella and enjoy the sunshine (and a cocktail!).
